QUALITY CORNER CALL

Nov. 17, 2026
12:00 p.m. to 1:00 p.m.
Webinar Connection Fee: No Charge

This Quality Corner Call celebrates how Kansas Critical Access Hospitals continue to excel through national recognition, strong quality programs and meaningful contributions to rural health. Each year, several Kansas CAHs earn honors from National Rural Health Association for overall performance, quality outcomes and exceptional patient experience. These achievements reflect steady improvement, committed leadership and a deep dedication to the communities they serve.

We also recognize hospitals that completed the full SHIP grant requirements, demonstrating strategic use of resources to strengthen workflows, data readiness and patient centered care. In addition, we welcome and celebrate new quality directors who have stepped into leadership roles and are already shaping stronger systems within their organizations.

Finally, we honor the quiet heros of kansas quality — individuals across the state who stepped up, supported peers and contributed to the success of the Flex program. Their collaboration and commitment help move rural health forward for all Kansas communities.

If your hospital or team has accomplishments to celebrate, please contact Susan Runyan at (620) 222-8366 or srunyan@kha net.org. Whether your success is in patient experience, quality improvement or contributions to others, we want to recognize you.
