Hospitals must first meet the SHIP funding priorities before using resources to support investments in other areas. The SHIP funding priority area for FY25 is below:

Hospitals must meet MBQIP participation requirements in order to improve hospital quality outcomes. (Using funds for inpatient HCAHPS surveys is included.)

Is your hospital pooling SHIP funds with other hospitals in the form of a network or consortium?

No

If you are a PPS hospital, please list the number of beds per line 14 of the most recent Medicare Cost Report.

Please provide any recommendations you may have for improving the SHIP program in the box below.

Allowing travel expenses to be covered would be very helpful.
