

# Quality Corner Call

## November 12, 2020

### Noon - 1 p.m.

## Quality Resources

Feel lost wondering what resources are out there for quality improvement? Confused with what quality reporting programs are facilitated by which organizations? Wish you knew who to reach out to with certain quality questions? Looking for information on quality improvement partnerships with organizations in Kansas? Well, this Quality Corner Call is for you!

Join the KHERF team on November 12 as they facilitate the conversation with other Kansas quality partner organizations to discuss what types of programs they offer, what resources are available to you, and how you can get involved in upcoming initiatives to benefit your patients, staff, and communities.

Quality Corner Calls are offered by the Kansas Department of Health and Environment and the Kansas Hospital Education and Research Foundation and focus on quality improvement activities consistent with the Medicare Rural Hospital Flexibility Grant Program.
