

QualityNet – HARP Account

OP-22

Patient left without being
evaluated by a qualified medical
professional

QualityNet – HARP Account

The screenshot shows a web browser window with the URL <https://hqrcms.gov/hqrmg/login>. The page title is "CMS.gov | QualityNet". The main heading is "Hospital Quality Reporting". The central content is a "HARP Sign In" box with the instruction "Enter your User ID and Password to login." It contains two input fields: "User ID" and "Password". Below these fields is a "Login" button. At the bottom of the box, it says "Need a HARP account? Create one [here](#)."

The New HQR is Coming

We are hard at work behind the scenes to modernize Hospital Quality Reporting. Over the next year you will see many exciting new features to help you execute your responsibilities faster, and with more confidence.

New! Check out the navigation on the left:

- All features and functions are now available in the navigation
- Tasks are clearly divided - move from one to another with ease

QualityNet – OP-22

The screenshot shows the CMS.gov QualityNet interface. At the top, the CMS.gov logo and 'QualityNet' text are visible. Below the header, there is a navigation bar with tabs: eCQM, Web-based Measures (circled in red), Population & Sampling, Chart Abstracted, and HCAHPS. A sidebar on the left contains icons for user profile, home, and other functions. The main content area asks 'How would you like to submit your data?' and offers two options: 'File Upload' (Upload files for program credit here.) and 'Data Form' (Enter data for program credit here., circled in red). The bottom of the page features the KHERE logo and the Kansas Department of Health and Environment logo.

QualityNet – OP-22

This screenshot shows the next step in the QualityNet interface. The 'Web-based Measures' tab is still selected. Below the navigation bar, the 'Data Form' option is highlighted with a red circle. A message states: 'You have selected Data Form submission. You can choose a different method at any time.' Below this, a section titled 'Select the Data Form' contains a table with three rows: 'IQR', 'OQR' (circled in red), and 'PI'. Each row has a 'Launch Data Form' button next to it. The bottom of the page features the KHERE logo and the Kansas Department of Health and Environment logo.

QualityNet – OP-22

The screenshot shows the QualityNet CMS interface for OP-22 and OP-31 measures. The top section shows a score of 0% for OP-22, with a numerator of 0 and a denominator of 145. Below this, the OP-29 measure is listed with a score of n/a, and the OP-31 measure is also listed with a score of n/a. Both 'n/a' scores are circled in red. At the bottom right, there is a button labeled 'I'm ready to submit' which is also circled in red.
