QualityNet/HQR – HARP Account

To Create a New Account to Access QualityNet/HQR

Step 1 – Set Up a HARP Account

- QualityNet
 - Select “Register” in top right corner
 - Registering for HARP
 - Select HCQIS Access Roles and Profile (HARP) in the middle text
- (Health Care Quality Information Systems – HCQIS)
- HCQIS Access Roles and Profile
 - Select “Sign Up” in the lower middle

7

QualityNet/HQR – HARP Account

To Create a New Account to Access QualityNet/HQR

Step 2 – Get Added to the Hospital’s HQR Account

Two ways to accomplish this:

- IF there is another HQR User at the hospital
 - Have them log in at <https://hqr.cms.gov>
 - Select “Administration” on the left-hand side
 - Select “Access Management” in the drop down under Administration
 - Select “Add User” in the middle of the page
 - Type in the HARP ID and tap the looking glass
 - Verify it is the name you are looking for
 - Click the name
- IF there is no current HQR User at the hospital
 - Contact the Help Desk to start the add process

8

QualityNet

- Specification Manuals
 - How to find your population (appendices)
 - Algorithms for each measure set
 - Population and Sampling
- Paper Tools
- Have two administrators in HQR

9

Population and Sampling

Table 3: Sample Size Requirements per Quarter per Hospital for OP-18

Population Per Quarter	0-900
Quarterly Sample Size	63
Monthly Sample Size	21
Population Per Quarter	≥ 901
Quarterly Sample Size	96
Monthly Sample Size	32

10

11

CMS Abstraction Reporting Tool (CART)

- Find CART on QualityNet
- OP side must be downloaded to your computer
 - Two administrators
- CART versions are based on date of service of abstractions

12

CMS Abstraction Reporting Tool (CART)

- Adding a New User
- Measure Designations
- Enable/Disable Questions as Appropriate

HEALTHWORKS

13

Population and Sampling

Table 3: Sample Size Requirements per Quarter per Hospital for OP-18

Population Per Quarter	0-900
Quarterly Sample Size	63
Monthly Sample Size	21
Population Per Quarter	≥ 901
Quarterly Sample Size	96
Monthly Sample Size	32

14

CMS Abstraction Reporting Tool (CART)

Abstract Records in CART

- AMI Measure Set (OP-2 and OP-3)
 - 100%
- ED Throughput (OP-18)
 - 0-900 ED cases/quarter = 21/month or 63/quarter
 - >/=901 ED cases/quarter = 32/month or 96/quarter

QualityNet/HQR

Reports (logged in as a user)

Case Status Summary Report – tells you the number of cases submitted to the warehouse and how many were accepted and/or rejected.

Here are the steps to run that report:

1. Look for "Data Results" and from the drop-down menu select "Chart Abstracted"
2. Ensure you are on the "File Accuracy" tab
3. Under Program, select "OQR"
4. Under Report, select "Case Status Summary"
5. Under Encounter Quarter, select the quarter needed
6. Select "Export CSV" to view the report

HEALTHWORKS

19

QualityNet/HQR

Reports (logged in as a user)

Submission Detail Report – gives details of abstraction and information on being accepted or rejected. If a case is rejected, this report tells you why.

Here are the steps to run that report:

1. Look for "Data Results" and from the drop-down menu select "Chart Abstracted"
2. Ensure you are on the "File Accuracy" tab
3. Under Program, select "OQR"
4. Under Report, select "Submission Detail"
5. Under Encounter Quarter, select the quarter needed
6. If needed, under File Status, select "rejected" (if you are trying to see why a case was rejected)
7. Select "Export CSV" to view the report

22

EDTC

- Specification Manual
 - How to find your population
 - Review details for all questions
- Download 2023 Data Collection Tool from QHi
- Set Up new 2023 Data Collection Tool

HEALTHWORKS

23

EDTC Stratis Data Collection Tool

Abstract Records

EDTC Data Collection Tool

- Transfers out of your ED
 - 15/month or 45/quarter
 - Review eligible population
 - To larger facility
 - Back to nursing home
 - To your own swing bed
